Your honest appraisal in filling out this form will assist the IHC staff in evaluating the applicant's commitment and qualifications during the school year. When this form is completed, please mail it to the above address as soon as possible.

We are looking for young people who are examples of dedication and service to Jesus Christ. We understand that by definition, we are likely talking about your student leaders. This program is designed to make students more effective in your youth group. We pray that it will deepen their commitment and strengthen their walk with the Lord.

"Sending my high school students to work (at IHC) was the best thing for my youth group. It helped ground my students and taught them to serve when they came back to my youth group."

Danny Long

Jamul Community Church

Indian Hills Camp is a Christ-centered ministry that serves children through its summer camp program. Since the high school students are a vital part of this program, it is a priority to us that they be active participants in their churches. This involvement includes participation in a **Sunday morning youth group** and a **mid-week youth program**, as well as a commitment to a **weekly ministry** or service project at your church or at another Christian organization. Students must have a genuine love for others, patience, willingness to serve, and oddly enough, strength. The six and a half weeks the student will spend at Indian Hills will likely be the most physically demanding time in their lives, as they help with the camp's day-to-day operations, spend time with children, and **commit to their own spiritual growth**.

Thank you for your help in evaluating this applicant for our Team Program. Through your efforts in completing this form, we can better select the staff needed for our ministry's outreach to children.

In His ministry together,

Bob Lindsay
Camp Director
